WEEKLY HIGHLIGHTS

Attendance

We've had a fantastic first week back at school, and it has been wonderful to see such high levels of attendance across the whole school community—thank you for your continued support in ensuring your child is here, on time, and ready to learn. Positive attendance makes such a difference to children's progress, wellbeing, and sense of belonging.

We are very excited to announce a special end-of-year incentive to celebrate this. From Monday 8th June through to Friday 3rd July, every child who attends school every day during this period will qualify to take part in our huge WEA end-of-year celebration activities, taking place on Monday 13th July. This promises to be a memorable and fun-filled event, recognising the commitment and effort shown by our pupils. We encourage all families to support us in maintaining excellent attendance over these weeks so that as many children as possible can be part of this exciting celebration.

Sparks - Maths

Sparx Maths Info:

This year, students have made excellent progress in maths. Across the 94% of students accessing homework online, over 1.4 million questions have been answered correctly, with a total of 15,178 hours spent on the platform. In addition, 359 students have already improved their times tables.

Currently, 40% of students are completing their homework before the deadline. With our Trust-wide assessment approaching, students are encouraged to make full use of Sparx Maths Independent Learning to support their revision.

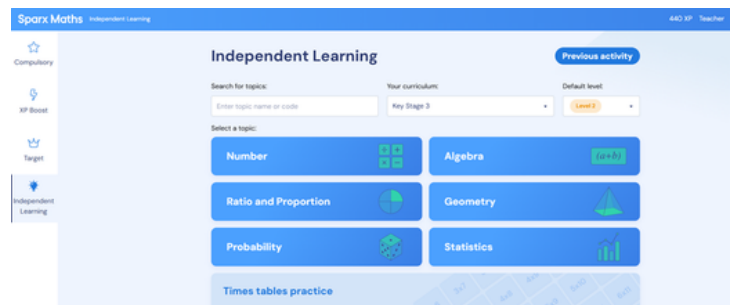

To access Independent Learning on Sparx Maths, see below. Students are advised to walk through these topics at their pace.

Our maths team is always available to support students with any questions they may have. In addition, the Sparx Homework Club runs weekly on Mondays and Thursdays at lunchtime in M13, offering extra support as well as challenge for those who are keen to push themselves further.

In the latest round of the Sparx Maths Leaderboard, the following students have sustained 100% completion and the highest XP point in their class:

Also, by class, below is the list of classe that have topped the latest Sparx Maths leaderboard for the highest completion rate:
