

24 January 2024

Dear Parents and Carers

We hope this letter finds you well. As we continue to strive for excellence in our school community, we are writing to seek your support in upholding our school uniform policy. We believe that a consistent and smart uniform plays a crucial role in fostering a sense of belonging and pride among our students.

We understand that some families may face financial difficulties in replacing or purchasing new uniforms. If this is the case for your family, please do not hesitate to contact the school. We are committed to working with you to find the best way to support your child and ensure they have the appropriate uniform.

To support students in making the right choices and being properly equipped for the day, we check uniforms at the gate every morning. Students have the opportunity to trade for any uniform item they are missing at this time.

To maintain our high standards, we will offer suitable clean uniform to students who are not in the correct attire. If a student refuses to wear the provided alternative, they will be placed in Reset. Should they refuse Reset, they will then be placed in INTEX (Internal Suspension Support).

Please note that leggings and black trainers are not acceptable as part of the school uniform. Any student wearing trainers will be offered appropriate shoes. If they refuse to wear the provided shoes, they will be placed in Reset.

We want to emphasize that our goal is to work collaboratively with families to uphold our standards and create a positive learning environment for all students. Your cooperation and support are greatly appreciated.

Thank you for your understanding and partnership in this matter. If you have any questions or need assistance, please feel free to contact us.
