

11 March 2022

Dear Parents/Carers

### **Essential School Equipment**

It is essential that all students bring a bag to school with their own equipment inside. Some students are not fully equipped when they arrive to lessons, and this is causing learning time to be lost.

Please support your child in ensuring they are fully equipped for learning so that they have a school bag, large enough to hold an A4 book, and a pencil case with the following essential items, available from the Student Office, prices below:

- Blue or black pen - 5p each
- Red pen - 5p
- Green pen - 5p
- Pencil - 5p
- Ruler (30 cm) - 15p
- Ruler (15 cm) - 10p
- Pencil case - 50p
- Calculator (ideally a Casio FX-83GTX-S, but any scientific calculator is sufficient) - £6.10

Some students also find the following optional items useful and like to bring these with them too:

- Glue
- Coloured pencils
- Pencil sharpener
- Protractor
- Round ended scissors
- Highlighters

At the start of next week, all students will also be provided with their own mini whiteboard and whiteboard pen, this enables teachers to routinely check understanding and adapt their teaching to address any misconceptions. Students will be responsible for this and will need to bring it to school every day to use in each lesson. Replacements will be available for 35p each.

If you struggle to find any of the required equipment or your child needs to replace any items, they can be purchased on ParentPay, minimum payment of £1.00, and collected from the Student Office.

Yours sincerely

Mrs T Goody  
Vice Principal
