Dear Parents/Carers

What a year it's been!

All the hard work and commitment of our staff, wonderful students and yourselves was officially recognised in May this year with our Ofsted inspection. Inspectors saw what we already knew, that *'staff care for pupils'* and *'are determined that they will succeed'*, that our pupils are *'proud of the school and pupils feel safe'*. The *'atmosphere in lessons is positive'* and our teachers use *'skilful questioning'* and *'carefully plan lessons...to build pupils' knowledge and skills over time'*.

This feedback was encouraging but we're not standing still and are very excited about the next step in our journey to excellence.

We were praised for our *'programme of activities to enrich the curriculum'* but our new co-curricular Electives programme is going to take the opportunities students have outside of lessons to a whole new level. We've got an amazing programme of staff training set up so that excellence in teaching and practice will continue to drive everything we do here.

Community will be at the heart of what we do next year; Sixth Form are delighted to launch their new Student Union leadership structure around the roles of Academic, Social and Community Secretaries; our congratulations to Jamari Johnson who was appointed as our first Student Union President.

We also know of the challenges that our local community has been facing so please watch this space for opportunities to join us in our mission to place Weavers at the centre of positive change in the local community.
