Co-Curricular Electives:

We are very excited to launch our new co-curricular programme in September. To support a smooth transition to the new school year our programme will commence on Monday 12 September. Please check the academy website for any updates or changes.

After a challenging start but a very positive end to the year, we very much look forward to welcoming all our students back after what we hope will be a very restful and relaxing summer break; exciting times are ahead at Weavers Academy!
